PLEASE NOTE

A free consultation is required prior to any chemical service.

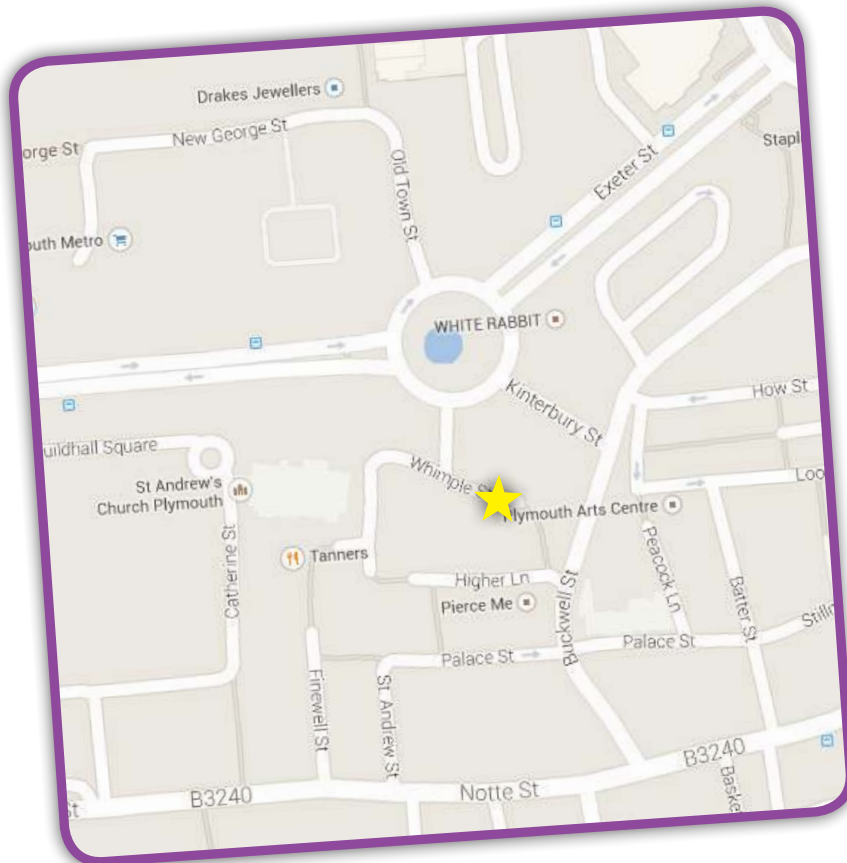

A skin test will be required 24-48 hours prior to any colouring service on all new clients. Clients who have not had a colour at GHQ Training within the past 3 months, or require a complete colour change, will also need to book in for a skin test 24-48 hours before their treatment.

Appointments are normally 9.45 am and/or 1.45 pm.

Our trainees are under supervision, as this is a training salon, and your appointment may take longer than expected. Please be prepared and allow for this on the day of your appointment.

We wish you a pleasant experience with us and thank you for your support as these learners require clients in order to further develop their skills.

If you have any queries, please contact us on **01752 202122**.
