

Welcome to the Summer Student Update

We are happy to let you all know that we are still running new courses and have welcomed lots of new learners to GHQ.

Our courses are filling up fast so if you are interested in a change of career or progressing on to further qualifications then please contact the Recruitment Team today! GHQ is very proud to say that we had 100% success rate with all of our End Point Assessments, so a special thank you goes to our dedicated staff who made every effort to help make this happen.

For a full list of the courses that we offer please visit our website:

Most people choose GHQ because of small groups and the staff provide great support! Please spread the word!

Keeping Everyone Safe

As of Monday 19th July restrictions in England have been lifted, however at GHQ Training we are continuing to be cautious. We are encouraging as many people as possible to wear a mask whilst in the building and we will carry on checking temperatures on arrival.

We are still providing Lateral Flow Tests to all learners so please ask the office for a testing kit when you are in the centre, if you require one. If you are experiencing any symptoms of Covid-19 please do not come into the Centre and contact the Recruitment Team or your Assessor to make them aware.

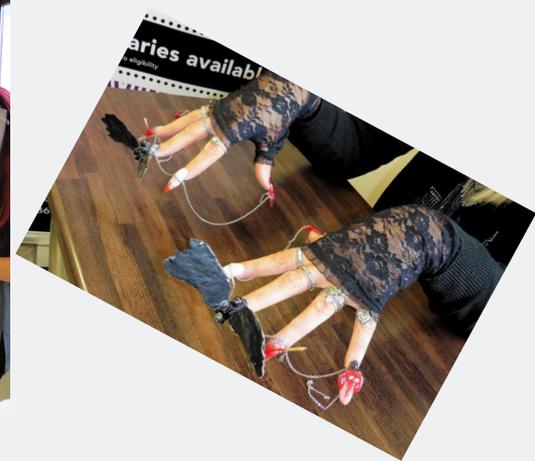

GHQ Training Success

We are proud of how our learners have adapted to the challenges of the last year

Despite Covid-19 we have had some great successes at GHQ Training. A number of learner's are still completing their qualifications by their deadline, even after 3 National Lockdowns. We have new learner's signing up every day and one student in particular is currently in the process of signing up to their 3rd course with us all the way from the Isles of Scilly!

Nail Competition 2021

Our Level 3 Nail students have just taken part in the annual Nail Competition. Every design was amazing and we were blown away with the creativity of our students. Well done to everyone who took part and a huge congratulations to this year's winner Debbie Furniss with her 'Alice in Wonderland' theme.

Case Study: Warren Neill

Warren lives in the Isles of Scilly which are located just off of the Cornish coast. After struggling to find a training provider local to him, the Cornwall and Isles of Scilly Growth and Skills Hub pointed him in our direction. He completed a Level 2 Barbering course with us and then progressed onto the full Level 3 NVQ Diploma in Barbering, which he completed at the start of this year. Warren has now come back to us to sign up for Level 3 Hairdressing starting in September. Through a mixture of remote learning and trips over to our Plymouth Training Centre in the 'mainland', Warren has become a fully qualified Barber and is now progressing on to his next challenge.

'I am really looking forward to studying again at GHQ; the remote learning and regular visits to college from the Isles of Scilly works so well. The level of training for my Levels 2&3 Barbering was very professional and I know I'll be in good hands moving on to Level 3 Hairdressing.'

Case Study: Reverend Darren Middleton

Reverend Darren Middleton has recently started a Hairdressing course with us. Here is what Darren has to say about choosing this course....

"During lock down one of the highest priorities of people was to get their hair done. The well-being, confidence and joy that returned to a person when they exclaimed, 'I've just been to the hairdressers', was inspiring. As a minister I want to show the love of God in a practical way to people who have, maybe, never considered the love of God. Through the experience of hairdressing my hope is to give this gift to those who may not be able to afford it or even consider it as a priority. We all need to feel special, to feel valued, to feel worth - hair has the ability to bring this into people's lives.

GHQ is, for me, a real gift! My prayer is that the joy I am receiving in my training from my tutors and fellow learners will be passed on to those whose hair I will eventually embrace.

We do hair because we care!"

Learn a new skill with funded programmes

We have access to a programme called Skills Support for the Workforce (SSW) which is developed to upskill employees within small and medium sized enterprises. We provide accredited qualifications and bespoke courses to enhance individual's skills, increase the competitiveness of businesses and boost the local economy.

If you or someone you know has been made redundant or are at risk of redundancy, the Skills Support for Redundancy programme provides individuals with the access to funded skills training/ retraining to help them get back into employment.

We offer a wide range of courses that can be funded by these programmes, including:

- Level 3 Award in Education and Training (AET)
- Level 2 Certificate in Supporting Teaching and Learning
- Level 2 Certificate in Understanding Children and Young People's Mental Health
- Level 2 Certificate in Understanding Behaviour that Challenges
- Level 2 Certificate for the Children and Young People's Workforce
- Level 2 Barbering Units

For further information on the eligibility criteria of the funding and the courses that we can offer, contact the Recruitment Team on 01752 218086 or recruitment@ghqtraining.co.uk
